

Catholic Schools Week 2011-2012

Faith. Academics. Service.

All School Service Project

Since the Catholic Schools Week theme this year is **Faith, Academics and Service**, we would like to hold an all school food and supply drive for the Crystal Lake Food Pantry during Catholic Schools Week, January 29-February 3rd.

We have asked them what their most needed items are and have separated the items by grade. **We encourage the St. Thomas community to participate in this school wide service project.**

The Crystal Lake Food Pantry Serves over 300 families a month and could really use our children's help with this collection.

Please bring the following items to school the week of CSW, **January 30th-February 3rd** as we participate in our **ALL SCHOOL SERVICE** project. Collection boxes will be placed in your child's classroom for the items.
