January 18, 2012

Dear St. Thomas School Families,

I would like to thank you for your enthusiastic support of the St. Thomas Musical Theatre program over the years. My family and several faculty members have undertaken this extracurricular activity for the past 18 years. The program has grown over the years to a production in a professional theatre; a dream come true for the program's creator.

I had reserved the Raue Center for February, but due to personal reasons, I will not be able to direct the show this year. Instead, our music teacher, Mr. Dragoo, has agreed to provide a concert for grades 5-8 which sounds quite exciting. I will give him my support but cannot be involved with the production. I would like to thank him for stepping in this year. Rest assured that the St. Thomas Musical Theatre will return to the Raue Center in the future.

The Spring Music Performance for grades 5-8 will take place at 7:00 pm in the St. Thomas Parish Community Center on the following dates:

Tuesday, April 24, 2012 for grades 5 and 6

Wednesday, April 25, 2012 for grades 7 and 8

Thank you for understanding. I look forward to Mr. Dragoo's concert, as I am sure you are too.

God bless us all,  
Mrs. Houston
